About The USA FLIP

The Global Recovery Movement's mission is to flip the discrimination of the criminal justice approach to substance use towards a proven public health solution. We are dedicated to drug proofing communities.

This is your personal invitation to join us for this exciting community event. You will hear how Dayton is being recognized for the addiction recovery of our city and now is recognized as being ready for the US FLIP.

The FLIP originally began in Portugal with Dr. Joao Goulas.

If you are unable to attend, please have someone join as your representative.

For more information on this free event contact
